Dear Harry,

Well folks, if you have not yet booked your summer vacation *this IS the time to book your summer travels.* This issue of our monthly newsletter will help you find some time honored resorts. The economy is improving but even when it wasn't such an issue in our vacation planning several families or friends would get together and rent a large house together in a fabulous spot. They all share in bringing food, or buying local seasonal food and they share in preparation and clean up. This is a very economical way to stay in a huge gorgeous home . We will give you some resort areas we love and the travel experts who cover those areas. Do your research on SEGetaway.com, find those friends or family and **BOOK NOW!**
